

WECRA PLAYOFF CANCELLATION AND GAME CHANGE POLICY

There was a meeting on August 28 2013 which all centres were invited to attend by the refs association to provide some info for the centres contacts (as the contacts change from season to season). One of the issues talked about was the number of Bluewater playoff games cancelled and or rescheduled last season (2013). The refs association made their presentation of the cancellation policy to the 5 centres that were in attendance. At that time the two sides came up the following policy.

Once a playoff game has been entered on the arbiter if a game is cancelled or rescheduled there will be a \$20 game change/cancellation fee charged to the centre requesting the change.

There are some exceptions to the policy and they are.

- 1) The game needs to be rescheduled to accommodate an OMHA Play-Down game.
- 2) The game needs to be cancelled due to one of the teams still competing in the OMHA Play-Downs.
- 3) Game cancelled due to weather conditions.

Note: The policy on games being cancelled less than 24 hours has not changed (centre is charged for the referee game fees if cancelled less than 24 hours).
